

Jaryd McGonagle

Landscape Designer

Experience

Warner Larson, Inc., 2013-present

Massachusetts Landscape Construction Firms, 2010-2013

Education

Boston Architectural College
Masters Degree
Landscape Architecture, 2014

University of Massachusetts
Bachelor of Science
Environmental Design, 2010

University of Massachusetts
Associate's Degree
Landscape Contracting, 2007

Jaryd holds a Masters degree in Landscape Architecture from Boston Architectural College. He previously attended the University of Massachusetts where he earned an Associate Degree in Landscape Contracting and Bachelor of Science in Environmental Design. In 2014 Jaryd was selected as a University Olmsted Scholar for his research in performative landscape metrics.

Prior to joining the firm, Jaryd worked for tree and landscape companies throughout New England, specializing in residential design build and specialty plant care. Jaryd applies his strong horticultural foundation and knowledge of landscape construction practices to all projects. Jaryd is responsible for coordination and production of project deliverables as well as construction oversight. He integrates his passion for sports and active play into his work, and advocates for the importance of a quality design process.
